A black and white photograph of a white, textured surface, possibly a wall or a piece of paper. Several dark, irregular shapes, resembling torn pieces of tape or labels, are attached to the surface. Each shape is labeled with the words "MOVE", "REMOVE", and "REMO" in a repeating pattern. The shapes are arranged in a roughly circular pattern around a central, lighter-colored area. The background features faint, diagonal text "FOLD HERE AND TAPE" in the top left, bottom left, and bottom right corners.
